**FIRST PHILOSOPHY COURSES**

In order to complete their General Education requirement in philosophy, students must take a first philosophy course followed by a bridge course or another first philosophy course; one of the courses must be in ethics; the other in general philosophy.

Specifically, a student may complete the General Education requirement by (1) taking a course numbered 001-049, followed by any course numbered 100-149 or 050-099, or (2) taking a course numbered 050-099, followed by any course numbered 150-199 or 001-049. First-year SFS students are required to take 099 and one other course 081-199. Seniors may not enroll in a first philosophy course; seating for first philosophy courses for students who have already taken one first philosophy course is limited. Students who have already taken one first philosophy course are strongly advised to preregister for a seat in a bridge course.

**FIRST PHILOSOPHY COURSES IN GENERAL PHILOSOPHY**

Students may take no more than one course 081-049.

Non-Seniors; limited seating for those who have taken a first philosophy course.
